

## Annual Corporate Sponsorship - \$90 (expires June 30 2018)

This is an invitation for your business/ organisation to become a corporate sponsor of the Mission Beach Petanque Club (MBPC). Clubs like MBPC are a very important part of the social fabric of any district and it is clubs like ours that convince people to want to visit here, stay here and move and invest here.

### About the club:

MBPC formed on September 1, 2012 for playing the French game of boules. The club arose as a special Community Recovery Project after Cyclone Yasi. Funding of \$3,650 from the joint Federal and State Government Community Recovery Fund was used for the establishment of the purpose built playing area, or Terrain, at Day Park in August 2013.

### Club activities:

MBPC have committed to make the most of the opportunity to promote healthy fun and community spirit. We own eight sets of competition standard boules for visitors and new members to use and hundreds of people have taken up that opportunity. Arranged games take place at least twice a week, all year round. We host an annual tournament which in the past have involved local, interstate and international players and also host local invitation and "come and try" events.

### What you receive as a club sponsor:

- a) A vinyl banner, measuring 520mm by 900mm, featuring your business logo and two or three lines of text\*. This banner will be displayed as part of a string of banners to be used as a safety barrier whenever\*\* organised club games occur, including tournaments, invitation and "come and try" events.
- b) Two (2) complimentary annual club memberships\*\*\*
- c) Invitation for two (2) people to participate in any arranged club social activities\*\*\*\* and
- d) One laminated Mission Beach Petanque Club Sponsor certificate\*\*\*\*\*

\* number of lines of text depends on size of font used and amount of characters used. Sponsors provide the logo and will be asked to agree on a proof of the banner before it is manufactured,

\*\* safety barriers only required when games are in progress, at other times the barrier will be taken down

\*\*\* full membership rights, can be assigned to individuals or can be transferrable eg. <sponsor-name 1>

\*\*\*\* our social activities are the stuff of legend!

\*\*\*\*\* for you to display with pride!

Thank you!
